SECTION 2: RESPONSIBILITIES

2.1. ASSISTANT SECRETARY OF DEFENSE FOR LEGISLATIVE AFFAIRS (ASD(LA)).

The ASD(LA):

- a. Oversees all matters pertaining to support activities for this issuance.
- b. Approves and prioritizes military air transportation of a congressional delegation (CODEL) to and from the deceased Member's funeral or memorial service. This includes cancelling an existing CODEL to support a congressional funeral CODEL.

2.2. SECRETARIES OF THE MILITARY DEPARTMENTS.

When directed by the ASD(LA) and in accordance with DoD Directive 4515.12, DoD Instruction 1300.15, and Section 114 and 115 of Title 32, United States Code, the Secretaries of the Military Departments:

- a. Are responsible for air and ground transportation of the CODEL.
- b. Communicate support with the House and Senate offices of the Sergeant at Arms.
- c. Provide military ceremonial units to support funeral arrangements and services for Members who die while in office.

2.3. COMMANDANT OF THE UNITED STATES COAST GUARD.

The Commandant of the United States Coast Guard provides ceremonial units to support funeral arrangements and services for Members who die while in office.

2.4. COMMANDER, UNITED STATES NORTHERN COMMAND (USNORTHCOM).

The Commander, USNORTHCOM:

- a. Is responsible for coordinating and executing all facets of ceremonial military participation in congressional funeral activities.
- b. Can delegate this authority.

SECTION 3: PROCEDURES

3.1. GENERAL INFORMATION.

a. There are two types of DoD support provided for congressional funerals:

(1) Ceremonial support for the funeral service and interment of a former or serving Member who dies while still in office.

(2) Transportation support for the CODEL attending the funeral or memorial service.

b. Eligibility for air transport of personnel, cargo, and human remains aboard DoD aircraft is governed by DoD Instruction 4515.13. DoD has no statutory authority, as reflected in this issuance, to transport family members of the deceased former or serving Member or the human remains of the deceased former or serving Member.

(1) Having a serving Member accompany the deceased Member's remains on a DoD aircraft for the purposes of calling the transport a CODEL is prohibited.

(2) Family members of the deceased Member cannot travel as part of a CODEL.

c. Former Members are not authorized to receive transportation support aboard DoD aircraft in accordance with DoD Instruction 4515.13.

3.2. PLANNING.

a. Notification.

When the Sergeant at Arms (House or Senate as applicable) announces a Member's death, the ASD(LA) will initiate congressional funeral support.

b. CODEL.

(1) Congressional leadership may request a CODEL to attend a former Member's funeral in accordance with DoD Directive 4515.12.

(2) In accordance with this issuance, House and Senate CODEL support requests will be combined into one bipartisan CODEL due to the scarcity of airlift resources. The Chamber in which the deceased Member served upon demise, or in the case of a former Member, the Chamber in which that Member last served, will determine which Sergeant at Arms office will validate the final CODEL manifest.

(3) Following coordination with House or Senate leadership, and in coordination with the appropriate Sergeant at Arms office, the ASD(LA) will designate the appropriate Military Department concerned, through its legislative liaison office, to plan and execute the CODEL portion of congressional funeral support.

(a) The designated Service will assign an escort officer as the CODEL primary point of contact. This escort officer will coordinate with the House or Senate Sergeant at Arms for relevant information, including manifest lists, itineraries, and timing, pursuant to DoD Directive 4515.12.

(b) The escort officer will coordinate with the Service Congressional Travel Office on ground transportation requirements and requesting military airlift for the CODEL. The Service Congressional Travel Office will submit the request to the ASD(LA) for approval.

(c) The ASD(LA) will approve or disapprove the escort officer's military airlift request and inform the Service Congressional Travel Office of the decision. If approved, the ASD(LA) will coordinate with the Executive Airlift Scheduling Authority or the Commander, United States Transportation Command, as appropriate, for the military airlift requirements (e.g., number and type of aircraft).

(d) After the ASD(LA)'s approval, the Service Congressional Travel Office will work the flight details (e.g., times, itinerary, ramp space) and CODEL options. The Service Congressional Travel Office will ensure that any changes received from its escort officer, through the Sergeant at Arms, are passed to the Executive Airlift Scheduling Authority in a timely manner.

c. Ceremony.

In conjunction with the appropriate Sergeant at Arms, the ASD(LA) will direct the Commander, USNORTHCOM, to plan for the ceremonial portion of congressional funeral support.

(1) Commander, USNORTHCOM, will task, as appropriate, National Capital Region-based Military Service honor guards and premier bands to provide body bearers, firing party, and bugler, and coordinate their logistical support.

(2) If congressional leadership requests, through the Sergeant at Arms offices, support for a deceased Member to either lie in state in the U.S. Capitol or lie in repose in the House or Senate Chamber, the Commanding General, JTF-NCR will provide the Military Services body bearers to carry the casket in and out of the U.S. Capitol building.

3.3. EXECUTION.

a. Timing.

The timing of the CODEL and ceremonial unit movement from Washington, D.C., to the funeral or memorial service will be at the discretion of the Service Congressional Travel Office and JTF-NCR, respectively, based on coordination with the Sergeants at Arms and ASD(LA).

b. CODEL.

(1) Once in execution, Military Service escort officers will coordinate:

(a) CODEL movement via ground and air transportation to and from the funeral or memorial service.

(b) VIP protocol.

(c) Departure and arrival times.

(d) Manifests.

(e) Parking.

(f) Other services as required.

(2) Meal funding during the CODEL will be pursuant to DoD Directive 4515.12 and apply only to Members and congressional employees. All others are required to reimburse the U.S. Government.

c. Ceremony.

Commander, USNORTHCOM, will oversee:

(1) Carrying the casket into and out of the funeral service and to interment.

(2) When applicable, the conduct of military funeral honors, including the firing of three volleys, the sounding of “Taps,” and folding and presenting the U.S. flag.

(3) Carrying the casket into and out of the U.S. Capitol Building if the Member is authorized to lie in state or lie in honor.

(4) Additional military ceremonial and protocol support as requested and approved as an exception to policy.

3.4. EXCEPTIONS TO POLICY.

Congressional leadership must submit requests for exceptions to this issuance to the Secretary of Defense for approval.
